

About Our Store

The Sewing Room is owned and operated by Diane and Jim Stutsman. We have been in business for 21 years, starting in Carrollton, then Lewisville, and finally here in Frisco. As exclusive dealers of Janome sewing machines, we can offer top quality machines, expert service, and training. Diane has taught classes all over the United States for other dealers, as well as for Janome. Our goal is to provide the best sewing machines with the best possible after-sale support.

CLASS RULES

All classes are one week meeting two hours each day. Class size is limited to 4 students. The \$100 fee includes all fabrics, patterns, use of our sewing machines and notions. The fee must be paid in full at time of registration. All students must be 8 by January 1st 2009. Food or drinks are not allowed in the classroom. Friends and family members are encouraged to see the classroom, but will not be allowed to stay for class. Unfortunately, due to limited time and space, we cannot make up any sessions missed. The fee is non refundable after June 1st. For safety, any students misbehaving or not following directions will be asked to leave and the remainder of the class fee will be forfeited. It is also important that students are not overly tired, such as the morning after a sleep over or a swim class, before the sewing class. They need to be alert to operate sewing machines, and we will not allow them to sew if we cannot ensure their safety. The classes start and end promptly. Please make arrangements to drop off and pick up on time.
